

BUILDING EXCELLENT WORKFORCE, LIVABLE WAGES, STRONGER ECONOMY IN THE PACIFIC NORTHWEST

About Building Future Industry Leaders (BFIL)

The Building Future Industry Leaders (BFIL) Program is a workforce development and pre-apprenticeship program that provides outreach, referral, and supportive & wrap-around services and opportunities to 18-35-year-olds in King, Grant, Spokane, Skagit, and Snohomish County.

The BFIL program partners with manufacturers in Aerospace/Robotics, Diesel Mechanics, Marine & Vessel Technology, Diesel Mechanics, Construction, and Transportation – Green jobs, (CDL) Training Certification to participate in Washington State economic and sustainability initiatives.

BFIL Apprentices receive job coaching and mentoring, essential and trade skills training, and referring in the Washington State Apprenticeship Certified Programs, and work with various Corporate recruiters for immediate job placement.
